Alati

The screenshot shows the Inkscape application window. On the left, a yellow-highlighted section of the Tools palette lists various drawing tools with their names in Croatian:

- Odabir i transformacija
- Uređivanje staze pomoću čvorova
- Izobličavanje / deformiranje objekta
- Povečalo
- Mjerenje dužine
- Pravokutnik i kvadar
- Kocka 3D
- Krug i Elipsa
- Zvijezda i poligoni
- Spirala
- Olovka
- Ravne linije i bezire
- Kaligrafija i kist
- Text
- Spray
- Gumica
- Kanta sa bojom
- Gradijent (promjena gustoće po smijeru)
- Gradijent mreža
- Uzimanje boje sa slike
- Stvaranje poveznica za diagram

The main canvas area contains the word "Alati" in a large, pink font. The right side of the interface includes the standard Inkscape toolbars and panels such as the Fill and Stroke panel, Color panel, and Transform panel.

Preokreni

The screenshot shows the Inkscape application window. A red callout box in the top-left corner points to the 'Transform' toolbar, which contains icons for rotation (a circular arrow), flip (horizontal and vertical), and transform (a square with handles). The main canvas area contains a green rectangle with transformation handles. The right side of the interface features the 'Ispune i linije' (Fill and Stroke) panel, which includes color selection (Flat color, RGB values R: 0, G: 128, B: 0, A: 255), blur controls, and an opacity slider set to 18.5%. The bottom status bar displays the current layer as 'Glavna traka' (Main track) and provides coordinates X: 965,00 and Y: 538,76.
